

## *A Program of the Westshore Alliance*

---

### *Make Your Mark!*

Give us six months, and we'll give you a whole new perspective. Each year, the Westshore Alliance's Leadership Westshore program identifies a select group of business professionals and prepares them for significant leadership roles within the community, in business and in the Westshore Alliance. *We invite you to join us for this exciting adventure in 2009.*

Up to 30 top professionals are selected to participate in Leadership Westshore. During the course of our six-month program (approximately 1½ days each month from January through June), Leadership Westshore participants directly interface with Tampa's top government, civic and corporate decision-makers. Leadership Westshore consists of seminars and tours that focus on key community concerns affecting Westshore and the community-at-large.

Among the topics we cover are:

Leadership & Teambuilding  
Arts & Culture  
Commercial Development  
Education  
Government

Healthcare/Human Services  
Law Enforcement/Public Safety  
Military – MacDill AFB  
Sports & Tourism  
Transportation
