

A Program of the Westshore Alliance

Make Your Mark!

Give us six months, and we'll give you a whole new perspective. Each year, the Westshore Alliance's Leadership Westshore program identifies a select group of business professionals and prepares them for significant leadership roles within the community, in business and in the Westshore Alliance. *We invite you to join us for this exciting adventure in 2012.*

Up to 30 top professionals are selected to participate in Leadership Westshore. During the course of our six-month program (approximately 1½ days each month from January through June), Leadership Westshore participants directly interface with Tampa's top government, civic and corporate decision-makers. Leadership Westshore consists of seminars and tours that focus on key community concerns affecting Westshore and the community-at-large.

Among the topics we cover include:

Leadership & Teambuilding
Arts & Culture
Commercial Development
Education
Government

Healthcare/Human Services
Law Enforcement/Public Safety
Military – MacDill AFB
Sports & Tourism
Transportation
